

Petzl Product identification procedure

February 28th 2011

DO I OWN A GENUINE PETZL PRODUCT?

Among my Petzl PPE products, did I purchase one of the following products, which are potentially counterfeit?

ASCENSION-B17 R, ATTACHE-M35 SL, CROLL-B16, RESCUE-P50

Is there a Petzl logo on the product from?

Do I know where this product was purchased?

Was it purchased through an official Petzl dealer?

Official Petzl dealer = shop or web with all the following:
- wide or complete Petzl product range
- Petzl catalogs, Petzl displays
- Petzl national distributor approval

Dealer *not* sanctioned by Petzl = shop or web site with all the following:
- very limited Petzl range
- only the four identified potentially counterfeit products
- surprisingly low prices
- NOT approved by national distributor

Was the product new when I purchased it ?

Was the product purchased before January 2009 ?

We estimate that these counterfeits first appeared during 2010.

Was the product purchased before January 2009 ?

We estimate that these counterfeits first appeared during 2010.

Was the product delivered with a technical notice ?

No problem. You have purchased a genuine Petzl product. Continue buying Petzl products through official Petzl dealers.

It may not be a Petzl product. For your security, do not use it. Destroy, recycle, discard it.

Please contact Petzl America at info@petzl.com or (877) 807-3805 for further information.
