

Petzl Product identification procedure

February 28th 2011

DO I OWN A GENUINE PETZL PRODUCT ?

Among my Petzl PPE products, did I purchase one of the following products which are subjected to counterfeits ?

ASCENSION-B17 R, ATTACHE-M35 SL, CROLL-B16, RESCUE-P50

Is there a Petzl logo on the product from?

Do I know where this product has been purchased from?

Has it been purchased through an official Petzl dealer?

Official Petzl dealer = shop or web with all the following:
- wide or complete Petzl range
- Petzl catalogs Petzl displays
- approved by national distributor

Non official Petzl dealer = shop or web with all the following:
- very limited Petzl range,
- or only these four products
- surprisingly low prices
- NOT approved by national distributor

Was the product new when I purchased it ?

Was the product purchased before January 2009 ?

Note: we estimate that counterfeits appeared during 2010.

Was the product delivered with technical instructions ?

Was the product purchased before January 2009 ?

Note: we estimate that counterfeits appeared during 2010.

No problem.
You have purchased a genuine Petzl product. Keep buying Petzl products through official Petzl dealers.

It may not be a Petzl product. For your security, do not use it. Destroy, recycle, discard it.

Please contact your local distributor for further information.

It may not be a Petzl product. For your security, do not use it. Destroy, recycle, discard it.
