

Petzl Custom allows you to customize a JAG RESCUE KIT. Choice of color and length are offered for the AXIS 11 mm rope, from 10 to 185 meters. You can also choose anchor type, haul kit length, and either the I'D S or I'D EVAC self-braking descender with anti-panic function. The kit is delivered in a bag that corresponds to the selected rope length for a ready-to-go solution.
